Whether it is the pizza's crust or the salad's lettuce, we want it to be crisp.

Since 1994, Hot Tomatoes has been providing the Berkshires with creative food, set apart particularly by our unique Neapolitan-style specialty pizzas. Our housemade dough and signature chunky tomato sauce have always remained the same, offering a one-of-a-kind flavor. We proudly create a selection of these pizzas along with fresh, delicious salads and other snacks within our Bright Ideas taproom location.

Try one of our delicious new options from Crisp Catering as well, such as our authentic, comforting ramen bowls; the perfect compliment to a cold day.

We welcome you to visit our two main locations: Our eldest shop in Williamstown, MA where we began, and a second neighboring shop in Pittsfield, MA.
