SPECIAL OF THE DAY

Whether it is the pizza's crust or the salad's lettuce, we want it to be crisp.

Since 1994, Hot Tomatoes has been providing the Berkshires with creative food, set apart particularly by our unique Neapolitan-style specialty pizzas. Our housemade dough is stretched large & thin, like the best New York City pizza. Then we add our signature chunky tomato sauce and fresh, whole milk mozzarella cheese for a one-of-a-kind flavor. Delicious salads filled with hearty fixings and your choice of incredible housemade dressings offer an equally satisfying meal. We proudly run two local locations: Our eldest shop in Williamstown, MA where we began and a second neighboring shop in Pittsfield, MA.

Try one of our delicious new options from Crisp Catering as well, with many items inspired by Bon Catering, who always deliver with fresh, local ingredients and offer the wisest of words when they say "eat real food."

High quality food made with fresh, superior ingredients:
That is the goal we pursue and promise to uphold.
